Should auld acquaintance be forgot  
And never brought to mind  
Should auld acquaintance be forgot  
For auld lang syne.

*For auld lang syne , my dear,  
For auld lang syne  
We'll tak a cup o' kindness yet  
For auld lang syne.*

And here's a hand my trusty fiere,  
And gie's a hand o' thine.  
We'll tak a right guid willie-waught  
For auld lang syne.

*For auld lang syne ,my dear,  
For auld lang syne  
We'll tak a cup o' kindness yet  
For auld lang syne.*

*For auld lang syne ,my dear,  
For auld lang syne  
We'll tak a cup o' kindness yet  
For auld lang syne.*

Please keep yourself muted during the speeches and performances to avoid extraneous noises or feedback, including for Auld Lang Syne, but do sing along.

Bring along paper and pen for the quiz and a drink for the toast.

Why not dress up (from the waist up!) in something special !?
